At Holy Family Catholic Primary School we are extremely proud of all our children's achievements. It is our aim to develop children as confident, independent learners who can take pleasure in their learning. We welcome innovation but also place great value in the traditional elements of school life: good manners, politeness, honesty and mutual respect. We want our children to care for others, to have enquiring minds and a desire to strive for success. We understand working hard and playing well together allows them to be happy, satisfied children. It also leads to the very good attainment of which we are proud.
